

Family Time Table Talk
Week 3 – May 23-29, 2010

Welcome to Week 3! I hope you are enjoying the time with your family around God’s Word. This week’s project is very simple! Our Family Time will center on reading the classic, little devotional booklet... *My Heart, Christ’s Home*. You can read it all in one sitting or spread it over 7 nights (one night for each room) this week. It really is a simple concept with a profound insight. I believe it will revolutionize the way you think about spending time with God.

Before you read the booklet with your family, let me give you a simple Bible study you can do with your kids. Since they weren’t in the sermon, let’s review with them the **5 benefits** of knowing and applying God’s Word from Psalm 119. Look up the following verses and have them tell you what the benefit is. You can look back at your notes if you need a hint! ☺

The Blessing of God’s Word... Psalm 119

1. _____ v. 11
2. _____ v. 38
3. _____ v. 49-50
4. _____ v. 98
5. _____ v.105

Now go ahead and read *My Heart, Christ’s Home*. Discuss the following questions.

- ✓ What does each room stand for?
 - The study: _____
 - The dining room: _____
 - The living room: _____
 - The workroom: _____
 - The rec room: _____
 - The bedroom: _____

Note: with younger children you may want to skip this room if you are not prepared to talk about sexual purity, etc. (I think 6th grade and older should be able to discuss it.)

 - The hall closet: _____
- ✓ What rooms does God need to “access” in your life? Note: You may have to adapt this for younger children.
- ✓ Why is spending time with God so important? (Hint: Talk about building relationships, and how friendships grow.)
- ✓ What keeps us from spending time with God as a family?
